WHEN IT COMES TO FOOD, WE DON'T PLAY

We're serving up more than games. Like our quality-inspired menu that puts flavour first, where every dish is crafted with care and every ingredient matters. Or to make it deliciously simple, no short-cuts. We're talking buttermilk-bathed, breaded-to-order jumbo wings, with just the right amount of crunch. Hand-cut fries, golden-crisped to perfection. Chef-prepared pizza dough, house-made marinades for our salads and bowls, and only the freshest toppings on every taco. And yes, that crumb on your sundae? Made right here, too. Because at The Rec Room, we don't play with our food.
