### **Headline: Boys Town Awarded on the Forbes Best-In-State Employers 2021 List**

Boys Town, Neb, October 8, 2021 – Boys Town has been awarded on the Forbes list of Best-In-State Employers 2021. This prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on August 24<sup>th</sup>, 2021 and can currently be viewed on the Forbes website.

America's Best-In-State Employers 2021 were identified in an independent survey based on a vast sample of approximately 80,000 Americans working for companies with more than 500 employees in the USA. Across 25 industry sectors, 1,329 employer brands were ranked among the top employers. Brands were able to win in more than one state.

The evaluation was based on direct and indirect recommendations from employees who were asked to rate their willingness to recommend their own employers to friends and family. Employees were also asked to evaluate other employers in their respective industry and state that stood out either positively or negatively.

Based on the results of the study, Boys Town is ecstatic to be recognized on the Forbes list of Best-In-State Employers 2021.

"Boys Town was voted number one because of our employees and their dedication to our mission, their incredible commitment, enthusiasm and care they bring to work every day," says Father Boes, National Executive Director, "while the recognition calls out Nebraska, we all know that everyone across the country at all of our Boys Town sites are just as dedicated and spend their days making America a better place for children and families"
