

A Race for All Ages and All Places Memorial Day Run 2022

For Immediate release – Friday, May 27, 2022

OMAHA, NEB. –This Memorial Day we honor those who dedicated themselves to preserving the future of America. Boys Town is hosting its annual Memorial Day Run with events in person and virtual races for families across the country to help Boys Town continue to provide the care, services and resources that children, families and patients desperately need.

The Memorial Day Run has something for everyone. Virtual participants can choose a 1-mile or 5-mile course, which they can run or walk wherever and whenever they'd like between Friday, May 27 and Monday, May 30! In person participants can choose a 1-mile or 5-mile course to compete on Boys Town Campus Monday, May 30. Registration is available online at memorialdayrun.org.

Following the race, all participants will receive a race t-shirt and a digital finisher's certificate.

About Boys Town

For 100 years, Boys Town has been a beacon of hope for America's children and families through its life-changing youth care and health care programs. In 2021, almost 500,000 children and families across the United States were impacted by Boys Town programs. This includes those who received services from Boys Town's residential programs as well as those served by the many varied programs that comprise the Boys Town Integrated Continuum of Child and Family Services, including In-Home Family Services, health care services provided by Boys Town National Research Hospital and the Boys Town National Hotline. You can find more information about Boys Town online at www.Boystown.org.
