

YOUR 2025 IMPACT

At Boys Town South Florida, we provide an array of life-changing youth care and healthcare services that meet each child and family exactly where they are so they get the **right kind of care**, at the **right time**, in the **right way**.

Together, we served and impacted nearly 3,950 children in South Florida.

» In-Home Family Services

271 children and 121 families learned how to handle issues and **prevent them** from becoming more disruptive in the home.

» Care Coordination Services

404 children and 194 families received intensive, family-centered case management services to help them navigate through complex systems such as the mental health care system, school systems and available community resources.

» Boys Town National Hotline

2,065 calls from Florida were answered and **1 suicide in progress was prevented** by our Boys Town National Hotline Crisis Counselors.

» Behavioral Health Clinic

599 children and their families facing challenges such as ADHD, school difficulties, emotional struggles, noncompliance and relationship concerns received the support and guidance they needed.

» ParentChild+

824 children received **language and preliteracy skills** support and positive parent-child interactions.

» Boys Town Common Sense Parenting

12 families and caregivers learned **new skills by building on their parenting strengths** and developing **healthy relationships** with their children.

» Primary Project

760 students in Palm Beach County elementary schools **received help to improve** their adjustment to school and enhance their **social and emotional well-being**.

» Lift with Boys Town

Our School Support Specialists have worked with **179 students** in their classrooms to develop social skills that promote learning. In addition, **8 students** were also impacted.

Let's do even more together in 2026!
