

## FAMILY & ADULT PRIMARY CARE URGENT CARE

Established in 1960, HPMG is the largest multispecialty group practice in Hawaii – offering shareholder status to physicians and non-physician providers alike. Spanning the four major Hawaiian Islands – Oahu, Maui, Hawaii Island, and Kauai, we practice in an innovative and fully integrated health system with supportive specialists and team members. We are dedicated to providing the highest quality clinical care, and to building lifetime relationships with peers and Kaiser Permanente members.

*The spirit of Aloha permeates in Hawaii and defines who we are. People from around the world come to experience our hospitality and warmth. They embrace our cultural diversity and enjoy the beautiful scenery, mild weather, and a host of year-round outdoor recreational activities. They make Hawaii their home - a place to live, work, and raise a family.*
