

IMPORTANT Correction – Secondary 5 Schedule for June 8 and June 9

Good afternoon parents/guardians,

We are writing to provide an important correction to information previously communicated regarding the Secondary 5 schedule for June 8 and June 9.

Due to inconsistencies between the May 3 communication and the June Parent Newsletter, clarification is required to ensure alignment with Ministry requirements. We sincerely apologize for this oversight and for any inconvenience it may have caused.

Please note that Secondary 5 students are expected to attend their regularly scheduled classes on Monday, June 8 (Day 6) and Tuesday, June 9 (Day 7). In between Ministry examinations and any scheduled oral evaluations, students must report to their classes according to their timetable.

If a student chooses to leave school after completing an examination rather than attending scheduled classes, they must follow the procedures outlined in the Student Code of Conduct regarding early departure and sign-out protocols.

Thank you for your understanding and cooperation as we implement this correction to ensure all Ministry requirements and academic expectations are met.

Thank you and have a good day,

The LBP Admin team
