Carlyle's Mission Statement

Parents, school staff and community at Carlyle School aim to turn DREAMS into ACHIEVEMENTS and prepare Carlyle students for life-long learning. We encourage respect, critical thinking, tolerance and care within a safe and nurturing environment.

We are COMMITTED to developing the learner's personal, social and academic capacities. Carlyle provides an INTERNATIONALLY minded and INQUIRY-BASED curriculum with ongoing reflection and assessment that links active classroom experiences to action-based local and global issues.

IB-PYP General Information What is the International Baccalaureate Primary Years Program?

The IB-PYP Programme is a transdisciplinary programme designed to foster the development of the whole child, whether the child is gifted, average, or with special needs.
