St. Gabriel School

**Bilingual,
art-focused
education**

MISSION

St. Gabriel is a true community school preserving heritage while embracing diversity. Staff, parents, volunteers, and the community work together to help children develop to the best of their abilities, in a safe, secure, and respectful environment.

St. Gabriel School provides a supportive environment where students thrive

VISION & VALUES

Our vision: Instill self-motivation by teaching the importance and value of education. We aim to create a general feeling of respect for all, including respect for self, respect for others, and respect for property. We do this in collaboration with the parents and guardians of our students.

Every day is a chance to encourage an appreciation for books and to foster and develop literacy skills. Fine Arts education contributes to a more holistic approach to learning. St. Gabriel School prides itself on helping each child develop not just academically but socially.

VALUES

- Learning is a life-long process
- Children are entitled to a challenging educational curriculum
- Children are entitled to a safe school
- Children are encouraged to do their best at all times
- Children learn in different ways and at different paces
- Children will experience various forms of success
- Children will develop necessary life skills
- Children will develop the importance of respect – for self and others
