FALL NEWSLETTER 2025

Greetings to all!

The 2025–2026 school year is off to a fantastic beginning! At Coronation, our students are supported by an exceptional team of caring and dedicated staff who work tirelessly to help every child thrive in all aspects of school life.

As the crisp fall air arrives and the leaves begin to show their brilliant colors, it's a perfect time to pause and celebrate our strong, vibrant school community—and to share a few important updates.

We deeply value your partnership in your child's learning journey and sincerely thank you for your ongoing support and involvement. Your commitment makes all the difference, and we look forward to another wonderful year of growth and success together!

Sincerely,
MS. DELIS

MOVIE NIGHT: You are invited!

Hi Coronation Community!

Kids 4 Social Change is back and on a mission to help others and spread kindness! This Halloween, let's SCARE HUNGER AWAY! We are hosting a Movie Night on Thursday, October 23rd at Coronation. Please bring a non-perishable food item as your entrance fee and a little change if you wish to purchase some treats and/or pop corn.

Doors open at 6:00pm. Costumes are welcome but not required. 😊

TOGETHER, LET'S SCARE HUNGER AWAY!! 🧡 Love, K4SC

Terry Fox Run

All students participated in our Annual Terry Fox Run to raise funds for cancer research. It was a beautiful day and a great way for the whole school to come together for a great cause. After reaching our \$2000 goal, students were rewarded with an afternoon of popcorn and a movie." Our total goal is to raise \$2500 and we are almost there!

Orange Shirt Day: Truth and Reconciliation Day

Staff and students wore their orange shirts and participated in classroom activities to help foster meaningful discussions about the effects of Residential Schools and the legacy they have left behind.

EXTRA CURRICULAR ACTIVITIES

Basketball fever is alive and well at Coronation. Mr. T is practicing with our basketball team weekly to help them prepare for the games held on the weekends at the Cote-Des-Neiges Sports Complex. So far they have won their first two games: 32-15 and 32-27! Way to go!

Come support our team and cheer them on every Saturday!

After school steelpan class and robotics club have begun!

FALL NEWSLETTER 2025

CLASSROOM NEWS

Cycle 1

Cycle 1 has been very busy since school started. In Miss Jennifer's English classes, they wrote a lot about the life of Terry Fox, and the importance of what he achieved, and giving back. In the Immersion class with Mme Roxanne, the children have been writing about the Fall colours and exploring the life of a tree through the years. They are now creating their own fictional Halloween characters.

In Ms. Ray's class, the students have been learning about kindness and what it means to be a good friend and make smart choices. They also made the classroom bright and colourful by making their own rangolis in celebration of Diwali.

Cycle 2

Grade 4 students have had a very busy beginning; meeting new friends, learning new routines and mostly, strengthening their academic skills. Students have worked on "Pourquoi Tales" that explain the origin of something. They read many texts and then they wrote an original tale of their own. They are now working on a novel study unit. In Math, students continue to develop a strong number sense through lots of practice and math center fun.

CLASSROOM NEWS

Cycle 3

The Grade 5 and 6 students have had a fantastic start to the school year! They are settling into their routines, building strong classroom communities, and showing great enthusiasm for learning. Grade 5 students are exploring new challenges in reading, writing, and math, while Grade 6 students are stepping up as school leaders and preparing for their final year of elementary school. Both grades are already demonstrating curiosity, responsibility, and teamwork as they dive into exciting projects and activities.

Congratulations to the following students in Mme. Brigitte's class who were elected to represent their class in the Student Council. After listening to the candidates give a speech, the students voted for their representative following the same procedure as an official electoral vote.

Bravo à Jeronimo, Salome, Rayhan, et Victoria. We look forward to their contributions to school life!

The Life Skills program has also started in Cycle 3 classes led by Ms. Kathy Roach, CIUSS Centre Ouest, Agent Pivot. These weekly workshops improve their sense of self, behavior, and communication skills in a class setting.

The program will focus on Self Awareness, Family and Friends, Communication skills; Leadership, Time Management and Organization skills. The Transition to High School Program is part of the curriculum for grade 6 students only.

WINGS SR.

Ms. Amanda's class took learning outside to the Atwater Market! Students explored the sights, smells, and sounds of fall while using their five senses to bring our autumn theme to life. 🍏🔔👁️👂👐
