FALL NEWSLETTER 2026

Greetings to all!

The 2026–2027 school year is off to a fantastic beginning! At Coronation, our students are supported by an exceptional team of caring and dedicated staff who work tirelessly to help every child thrive in all aspects of school life.
As the crisp fall air arrives and the leaves begin to show their brilliant colors, it's a perfect time to pause and celebrate our strong, vibrant school community—and to share a few important updates.
We deeply value your partnership in your child's learning journey and sincerely thank you for your ongoing support and involvement. Your commitment makes all the difference, and we look forward to another wonderful year of growth and success together!
Sincerely,
MS. DELIS

IMPORTANT DATES

NOVEMBER 6-12- BOOK FAIR

NOVEMBER 13- PD DAY-NO SCHOOL

NOVEMBER 19-OPEN HOUSE

NOVEMBER 20- DRESS DOWN DAY

NOVEMBER 23- REPORT CARDS AVAILABLE ON MOZAIK

NOVEMBER 26- PARENT-TEACHER INTERVIEWS (EVENING)

NOVEMBER 27-PD DAY: PARENT-TEACHER INTERVIEWS (DAY)

Kids for Social Change: We Scare Hunger a Spooktacular Success!
K4SC students kicked off the year with an incredible first event: We Scare Hunger Movie Night! Held on October 29, families and students came together for an evening of movies, snacks, and community spirit. Admission was a non-perishable food item, and the school community showed up in full force with their generosity. Thanks to everyone who joined, they collected an impressive amount of food donations for Multicaf.

Terry Fox Run
Our school community came together for our Annual Terry Fox Run, with students and staff participating to raise funds for cancer research. We are thrilled to announce that, thanks to everyone's generosity and support, we reached our fundraising goal of $2,500! To celebrate this incredible achievement, the students are in for a real treat! Some brave staff members have volunteered to let students throw a pie in their faces! This fun-filled event promises plenty of laughs and unforgettable memories for our students. It's certainly going to be an experience they will NEVER forget! We are so proud of our Coronation community for coming together to support such a meaningful cause and continue Terry Fox's legacy of hope, courage, and determination.

Orange Shirt Day: Truth and Reconciliation Day
Staff and students proudly wore orange shirts and took part in classroom activities to honour the children affected by Residential Schools. These activities encouraged thoughtful discussions about the lasting impact of Residential Schools and the importance of remembering their history and legacy.

CLASSROOM NEWS

Pre-School (K4 + K5)

We have had such a wonderful start to the school year! September was a busy and exciting month as students settled into their classrooms, built new friendships, learned classroom routines, and practiced important safety procedures. We also enjoyed apple-themed activities, celebrated at the Corn Roast, and participated in the Terry Fox Run while learning about Terry Fox's inspiring story of courage and determination.

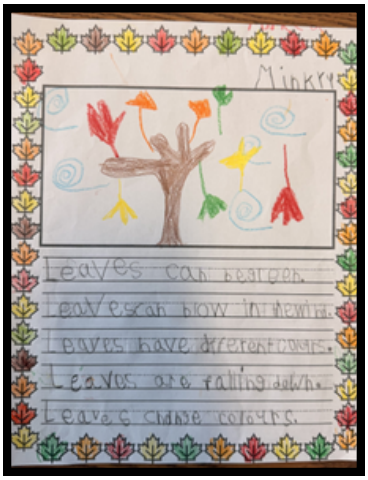

October has brought even more opportunities for learning and fun. Students have been exploring the beauty of the fall season through hands-on activities, crafts, and Thanksgiving-themed learning. Our creative learners have been hard at work decorating pumpkins for the school pumpkin contest, and excitement is growing for Halloween rotation centres, costume day, and special treats. A heartfelt thank you to the PPO for preparing goodie bags for our students!

Picture Day was filled with bright smiles and happy faces as students proudly posed for the camera. We also enjoyed a visit from the school nurse, Mr. Michael, who shared the importance of proper handwashing. In the coming weeks, students will begin our Dental Hygiene Program to learn healthy brushing habits. Through our Everyday Speech pilot program, students continue to develop important life skills such as self-regulation, self-awareness, kindness, and working together as part of a caring classroom community. Students are also building their early literacy skills by working on letter recognition and phonological awareness, all while learning through play-based activities that keep learning engaging and fun.

CYCLE 1

Cycle 1 students have been fully immersed in all things fall!

Grade 1 has been working hard on literacy through reading circles and phonics practice. They practiced writing in full sentences in their leaf writing activity. 🍁 They are all very proud of their work!

From collecting colourful leaves to exploring and analyzing pumpkins in the Grade 2 class, students have been expanding their vocabulary while deepening their understanding of plant life cycles. Their curiosity and enthusiasm have made for many engaging learning experiences.

CLASSROOM NEWS

CYCLE 1: Continued

Dans la classe d'immersion 1/2, les élèves apprennent à lire et à écrire des phrases.
Ils ont créé leur propre soupe d'Halloween et réalisé une œuvre d'art pour l'accompagner.
Une activité amusante et créative ! 🧡

In art class with Mme Simons (rooms 121, 117 and 116), students had fun mixing colours, practicing cutting versus ripping paper, and learning to use chalk pastels to create beautiful pumpkins.

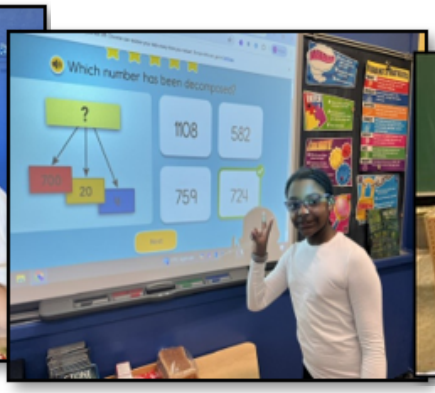

In French class with Mme Simons (room 116), students learned about 'les objets de la classe, l'automne and l'Halloween'; they shared their ideas through writing, enjoyed interactive Lumio games to reinforce vocabulary learning, and began their Duolingo Education adventure!

Mme Simons and Miss Jennifer officially began the first session of Lego Club for students who signed up in Cycle 1, which takes place every Friday at lunchtime. The children have been showcasing their creativity and imagination through their impressive building projects. It has been wonderful to see their enthusiasm and teamwork in action!

Cycle 2 (Rooms 223 + 227)

Students in Grades 4 Core and ¾ French Immersion have been focusing on reading fluency and comprehension. Daily reading of texts enhances their overall reading and writing skills. As well, we began our class novel, Stone Fox, a story of determination and family love. In Math, the Grade 4 Core students have been working very hard to improve their number sense and to learn their multiplication tables. To strengthen these math concepts, students practice their skills through daily class and homework as well as enjoyable activities such as math centers and online interactive math games (also available on Google Classroom)

CLASSROOM NEWS

Cycle 3

The Grade 5 and 6 students are off to a wonderful start this school year! They are adjusting to their classroom routines, developing positive relationships, and embracing new learning opportunities. Grade 5 students are strengthening their skills in reading, writing, and math, while Grade 6 students are taking on greater leadership responsibilities as they make the most of their final year of elementary school.

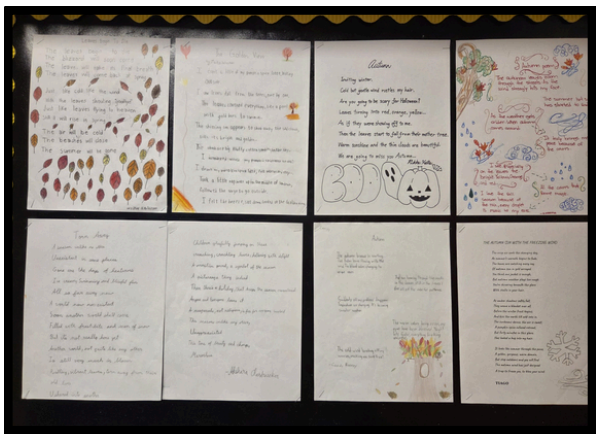

STUDENT COUNCIL: Congratulations to the following students in Mme. Brigitte's class who were elected to represent their class in the Student Council. After listening to the candidates give a speech, the students voted for their representative following the same procedure as an official electoral vote.
Bravo à Jasmine, Olivia, Kareema and Omari.
We look forward to their contributions to school life!

THE LIFE SKILLS PROGRAM: Ms. Kathy Roach, CIUSS Centre Ouest, Agent Pivot has once again launched her weekly workshops to improve sense of self, behavior, and communication skills in a class setting. The program will focus on Self Awareness, Family and Friends, Communication skills; Leadership, Time Management and Organization skills. The Transition to High School Program is part of the curriculum for grade 6 students only.

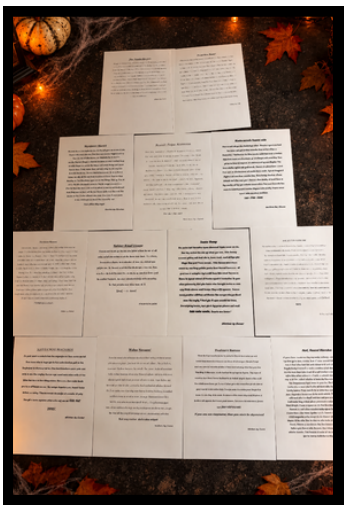

Poetry is alive and well in 206 and 208!

Students in room 206b and 208 have been inspired to wirte their own poems about the colourful season of fall!

Room 205 has been exploring literary devices and putting their skills to the test with a spooky twist! Students have taken on the role of realtors, using descriptive language and literary devices to sell their own haunted houses. With a little friendly competition, they are trying to convince buyers that their creepy creations are the best on the market. The challenge is on to see whose haunted house will sell the fastest!

SPOOKY REAL ESTATE IN ROOM 205!

CLASSROOM NEWS

Cycle 3: Continued

Nature Walk en français:

La classe de Mme. Maimone went on a nature walk around the school, observing the world around them using their 5 senses. They recorded their discoveries in French with the statements; je vois, et j'entends. What a great adventure in exploring nature and learning French at the same time!

SR WINGS Takes Learning Into the Community!

SR WINGS has had an exciting start to the school year with two fantastic field trips! Students explored the Fall Harvest at Atwater Market and visited the Planetarium to learn more about our Solar System. These outings bring classroom learning to life while helping students build their social, communication, and life skills in the community. We look forward to more adventures ahead! 🌎

EXTRA CURRICULAR ACTIVITIES

Basketball fever is alive and well at Coronation. Mr. T is practicing with our basketball team weekly to help them prepare for the games held on the weekends at the Cote-Des-Neiges Sports Complex. So far they have won all four games they played: Way to go! Come support our team and cheer them on every Saturday!

After robotics club will begin November!
