Detailed Bulk Ordered Supplies 2025-2026

Do NOT purchase items from this list as these are supplies the school plans to purchase in bulk for your child(ren).

We hope to save you the task of going from store to store to try to find that specific notebook or the store being sold out of "Red" duotangs.

Printed are the prices the school commands by purchasing in bulk through our suppliers. Should you choose, they may be so removed in their entirety from the school fees. If you choose to do so, please ensure that these items get added to your child's respective supply list.

Please Note: Prices may vary slightly (or no longer be available) from when approved in June until invoiced in August. Should items increase in price or are back-ordered the list will be adjusted to reflect the change in August.
