

East Hill Home & School Association End-of-Year Fun Day

Dear East Hill Parents,

As the end of another school year is slowly approaching, we are excited to announce that East Hill's Fun Day is just around the corner. On Thursday June 19th, the students will be treated to an entire day of fun!

During lunch time, our students will be treated to Domino's pizza and chips for lunch accompanied by a tasty Mr. Freeze to keep them refreshed. Please remember to pack your child's usual snacks and reusable water bottle.

It is also a full dress-down day, so comfort is Key. Please ensure that your child wears running shoes for the activities as there will be many inflatables and games.

For the last time this school year, a voluntary \$2 donation for the Altergo Foundation is encouraged as we are ending our monthly collection to support this foundation.

Thank you all for your generosity throughout the whole school year!

For any food allergies or dietary restrictions, please email us in advance at easthill.homeandschool@outlook.com so we can accommodate your needs.

We cannot wait to celebrate the end of another amazing school year with our East Hill community! Thank you for your continued support and involvement in making our school events a success!
