Re: Transportation – Action Required by Parents
--

Dear Parents,

On June 9th, 2025, the EMSB Transportation Division will send out **two important emails**:

1. **Confirmation of Transportation** – An email will be sent to parents of students who are eligible for AM & PM transportation services, asking if they require bussing services for their child(ren) for the 2025–2026 school year.
2. **Accommodation Bus Pass Renewal** – An email will be sent to parents of students currently receiving an accommodation bus pass, asking if they would like to renew this service for the 2025-2026 school year.

***P.S.** Students with special needs who require transportation services **will not** be receiving an email, they will be accommodated based on the recommendations from the Student Service Department. Busing companies will be contacting these parents 1-2 days before the first day of school.*

Deadline to respond to the email is June 20th, 2025.

*Failure to respond will result in **delayed transportation for your child** next August 2025.*

*If no reply is received, your child **will not receive busing until after September 15th, 2025.***

Thank you for your cooperation,

EMSB Transportation Division
