

Dear East Hill Parents,

As you all know, **Teacher and Staff Appreciation Week** is right around the corner.

As a token of our appreciation, we would like to start off the week by treating our staff to a special coffee and dessert day on **Monday, February 2<sup>nd</sup>**.

We believe that this small gesture can go a long way in showing our gratitude for their tireless efforts. However, we cannot do it alone. We kindly ask for the help of our generous and talented parents in providing baked goods for this event.

We understand that parents have busy schedules and may not have time to bake, but any contribution—big or small—would be greatly appreciated. Whether it's a batch of homemade cookies or store-bought cake or muffins, every treat will be a delicious addition to our event.

Your support and generosity will not go unnoticed, and we are grateful for any help you can provide. Thank you for being a part of our school community and for helping us show how much we appreciate our staff.

***Please remember to drop off all desserts at the main office on the morning of Monday, February 2<sup>nd</sup>, 2026.***

**On behalf of East Hill's Home and School Association, we thank you!**
