Re: BLACK HISTORY MONTH 2025-26

Dear Parents,

In honor of Black History Month, East Hill has planned, once again this school year, exciting activities during February for our students.

Each class will contribute to a collaborative Black History Month display, showcasing influential Black individuals from a variety of fields. Each grade level's work will be featured as part of this collective display.

We are also excited to announce that on February 10th, there will be a Black History Month performance in the gymnasium. Talented drummer, singer, and dancer Luc Bambara will perform for all grade levels, celebrating Black culture and creativity.

This initiative aims to promote awareness, respect, and appreciation of diversity while encouraging meaningful conversations and learning experiences among our students.

We are looking forward to a wonderful and inspiring Black History Month celebration!

Kind Regards,

East Hill Administration
