

Dear East Hill parents,

On Friday, October 31<sup>st</sup>, our Home and School Association is hosting their annual haunted house for all children and staff.

**Welcome to The Creepy Carnival!**

We understand that safety is a top priority for parents. That's why we want to assure you that our haunted house is designed to be safe for all ages. Our team of volunteers have worked hard to ensure that the experience is both thrilling and safe for everyone!

We are very excited to announce, that returning this year, for those kids who don't wish to participate or may be too scared to enter the haunted house, we have prepared a game area, which includes a variety of Halloween games. For those who dare to enter, get ready for a spooky adventure that will leave you with chills!

Our Home & School Association will be providing approved treats to all students. If you do not want your child to receive treats, please advise the homeroom teacher in writing and mention it to your child.

For allergy concerns in school, we kindly ask that you do not send Halloween treats for your child's classmates.

Please note that this day will be a non-colour code day and the students have the option to wear a costume. However, we ask that they come to school already dressed up in their costume. In planning for this day, please take the time to help your child select a costume that is safe as well as age appropriate in a school setting. Faces may be disguised with makeup, but the following accessories are not permitted: Halloween masks, plastic weapons, sharp objects or any item that may be deemed unsafe.

Remember to dress your best and dare to be scared!

**Thank you!**  
**East Hill Home and School Association**
