Re: MAKE-A-WISH CANADA PROJECT 2025-26

Dear Parents,

Make-A-Wish Canada works with communities across the country to provide children with critical illnesses the opportunity to realize their most heartfelt wish. These wishes are more than just moments of happiness; they are crucial in improving medical outcomes and enhancing the quality of life for both the children and their families. Therefore, through donations, this foundation is able to grant the wish of every eligible child.

East Hill has decided to support this foundation this school year. We strongly believe that it is a great way to expose our students to a real-life cause while having them involved in the community.

We will officially launch this project on Tuesday, November 25th. Executive members of Make-A-Wish Canada will be coming to East Hill School on that day to present this project to all our staff and students.

To start our fundraiser, we will be holding a **dress down day on Friday, December 5th during our Active Day under the theme of “Move for Wishes”**. We kindly ask for a \$2 voluntary contribution per student. **Parents will also have the option to send their donation online.** Make-A-Wish Canada has created a personalized donation page for East Hill School. The link to access this page and more information about our upcoming Active Day will be shared with you shortly.

Other fundraisers will be ongoing throughout the school year with monthly dress down days and other related activities. As it is a schoolwide project, East Hill entire community will be encouraged to participate in this great initiative.

Thank you all for your generosity.

Kind regards,

Mme Excellent
Vice Principal
East Hill Elementary School
