Re: REMEMBRANCE DAY

Dear Parents,

On Tuesday, November 11th, 2025, we will be commemorating Remembrance Day. Students in grades 3 to 6 will have the opportunity to experience a presentation from our Personal Development and Community Involvement (PDCIA) team. Students in grades 1 to 6 will then visit our Remembrance Day exhibition in our library.

Classroom and daycare related activities have already started taking place during class. We proudly displayed the students' beautiful artwork around the school.

Please note that all our students will receive a sticker poppy on that day.

Kind Regards,

Marsha Excellent
Vice Principal
East Hill Elementary School
