STUDENT RECOGNITION AWARDS

Dear Parents,

We are very proud of the continuous efforts and perseverance shown by our students. Therefore, once again this school year, East Hill Elementary School is pleased to continue the “Student Recognition Awards” that recognizes and rewards their hard work every term. We are happy to share that we have seen the positive impact of this initiative on our students.

Each term will highlight students’ achievements in **3 different categories**. Therefore, **3 students per homeroom class** will be selected (1 student for each category) every term.

Term 1 will focus on the following categories:

-Respect

This category is meant for students who display such qualities as empathy, politeness, and compassion. The recipient of this award should be kind, courteous and constantly showing consideration for others.

-Hard Work

This category is meant for students who have worked diligently throughout the course of the term. The recipient of this award should be someone who constantly gives their all.

-Team Work

This category is meant for students who display a spirit of collaboration and are always willing to help. The recipient of this award should typically be someone who shows great attention to the needs of the group and others.

Please note that the Term 1 certificates will be distributed to the selected students in December 2025 during school assemblies.

Kind Regards,
