Re: FIRE DRILLS

Dear Parents,

Each year the school must perform certain emergency exercises with our students. The following is to inform you that on **Wednesday, September 16th, 2026**, weather permitting, we will be holding our first fire drill of the school year.

The teachers will be preparing the students for this practice exercise and consequently we would ask that you discuss with your child the importance of taking the exercise seriously. Please note that subsequent fire drills will also be conducted over the course of the school year.

We strongly recommend that your child attend that day and arrives on time so that all students benefit from the exercise.

Kind Regards,

Mme Excellent
Vice Principal
East Hill Elementary School
