Mozaïk Registration

January 8, 2026

The official Re-Registration period for the English Montreal School Board's **2025-2026** school year will be held online on Mozaïk from **January 12 to January 16, 2026**.

Parents/Guardians of returning EMSB students must complete the Registration tile within the Mozaïk parent portal for the upcoming school year 2026-2027: <https://portailparents.ca/accueil/en/>.

If you have not yet created your Mozaik account, you must do so before completing the 2026-2027 Registration. You may find instructions on creating your account at the following link: <https://www.emsb.qc.ca/emsb/community/parents/mozaik>.

Step 1: Click on REGISTRATION – Complete the School tab. The Mozaïk Portal will walk you through the steps to validate student's:

- Identification
- Planned School (*or advise current school that child is leaving*)
- Primary Address (*or request an address change*)
- Answer Complimentary Questions
- Submit the Registration

GRADE 6 STUDENTS – If your child has already been accepted into an EMSB high school (and is no longer on a waiting list), families can confirm enrollment through the Mozaik Parent Portal during the official re-registration period. If not, Mozaik will reopen in March or April, giving parents another opportunity to confirm their child's registration for the 2026–2027 school year.

DAYCARE – The Registration period for daycare services will take place separately, in April. It is important to note that the school registration must be confirmed and completed as a prerequisite to register for next school year's daycare services.

**** If you are having problems connecting to Mozaïk, or have any other questions, you may reach out to Ms. Anna Maria Castricato at 514-494-3202 or by email at ACastricato@emsb.qc.ca.**

Kind Regards,

S. Rebelo
