Re: Preschool Apple Picking Activity

🍏🍏 **Welcome to East Hill Orchard!** 🍏🍏

Dear Preschool Parents,

Grab your little baskets and get ready for a morning of apples, autumn fun, and lots of smiles! 🍏

Our Preschool Department, together with some wonderful Home & School volunteers, is delighted to invite our preschool students to a very special fall adventure — apple picking right here at East Hill School!

We are so lucky to have several apple trees growing right in front of our school. For one special morning, we are going to transform this space into our very **own ✨ EAST HILL ORCHARD ✨!**

🍏 **A Morning Full of Fun!**

Monday, September 21st
9:00 a.m. – 11:00 a.m.
East Hill School – Front Orchard Area

Our Pre-Kindergarten and Kindergarten students will have the chance to:

- 🍏 Pick apples from our school apple trees and taste different kinds of apples
- 🍏 Explore and enjoy the outdoors
- 🍏 Take part in fun autumn-themed activities
- 🍏 Enjoy special activities prepared by our Home & School volunteers
- 🍏🍏 Learn, play, and make wonderful fall memories with their friends

We hope this special morning will bring a little extra 🍏 **autumn magic** 🍏 to our school and, most importantly, put a big smile on the faces of our littlest learners.

So, little apple pickers, get ready... East Hill Orchard is waiting for you! 🍏🍏🍏

We cannot wait to share this sweet fall adventure with our preschool students!

With warm autumn wishes,
East Hill Administration, The Preschool Department & Home & School Volunteers 🍏
