

Raising the standards. Because your kids deserve the best.

Dear Parent,

We are delighted to introduce to you Le Doral, a service providing hot, healthy, and delicious meals for children in primary schools and daycares located on the island of Montreal and beyond. Since 2000, we have been committed to delivering quality meals and providing parents with peace of mind.

WHAT YOU NEED TO KNOW

MORNING PREPARED GUARANTEED (MPG) :

A key element of our success is our Morning Freshness Guarantee program, developed by our chefs and staff. This program ensures that all meals are prepared and cooked the very same morning, thereby ensuring optimal freshness. Transparency is at the heart of our success, and we have developed lasting relationships with our clients, school administrations, faculties, and the communities of our schools.

PERSONALIZED APPROACH:

Through our technical team, we have developed an advanced and customized program that allows schools to easily manage their orders and accounts, as well as efficiently distribute meals during deliveries.

At Le Doral, we take pride in our personalized approach, attention to detail, and efficient distribution process. We make no compromises on the quality and integrity of the freshest products in the food industry.

CERTIFICATION IN FOOD HYGIENE AND SAFETY:

Le Doral holds a "Food Hygiene and Safety Attestation" certification issued by the Ministry of Agriculture, Fisheries and Food of Quebec (MAPAQ). Additionally, we proudly adhere to the primary guidelines regarding cleanliness, meal preparation, packaging, delivery, and temperature set by food inspectors and technicians of school boards.

ALLERGY AWARENESS:

We are also mindful of food allergies and specific dietary restrictions. Our menus are designed to accommodate these needs, and we offer vegetarian and halal options.

BALANCED MENUS:

To ensure well-balanced meals, our menus are carefully crafted by our qualified chefs in collaboration with accredited nutritionists and the school board. They adhere to the guidelines of the Canada Food Guide and regularly offer new, enticing, and balanced options.

PRICES AND PAYMENT:

To streamline the ordering and payment process, we have implemented an online system. The price of meals for the 2026-27 school year is \$7.00 per meal.

You can make your payments online using credit cards, PayPal, or Stripe. Our system will also provide additional information and many useful features for parents.

REGISTRATION:

If you wish to register, please visit our website at www.ledoral.com. For any questions or additional information, feel free to contact us at 514.630.6113 or via email at info@ledoral.com.
