

EMS APRIL NEWSLETTER

Literacy Month

April marks our second annual Literacy Month. Throughout the month, your child(ren) will be participating in various literacy based activities. Please see our special Literacy Month calendar for all the details. The students have also been working on projects in class reflecting our theme "Exploring the World Through Literacy".

The month-long project will culminate with Literacy Night which will be held on Thursday, April 23rd. Parents and families will be invited to school to visit our classrooms and view the projects created by the students. It promises to be a fun, interactive, and informative evening. Details about the evening will be shared closer to the event date.

That evening will also include our first-ever International Food Extravaganza. A letter was sent home last week about parent participation. A copy of the letter can be downloaded here. <https://canva.link/opdjg0s5p5insoj>

Outdoor Boots & Shoes

While we wait for Spring to arrive, parents are reminded that students must wear boots to school and have a pair of inside shoes as well.

Upcoming Parent Events
