

“ No act of kindness, no matter how small, is ever wasted.

- Aesop

I choose this quote because it is very important to think about. No matter how small the deed is, it will always make someone happy. Do a small deed today for someone and see how happy they are. I think it's important because when you are kind to someone and you do something little it will make their day happier. Something that you can do is to open the door for someone or you help them pick up something that fell.
