

# Kindness

Chosen quote: Just keep taking chances and having fun.

What does this quote mean to you?: for me the meaning of life is fun and you should enjoy yourself and taking chances is one of the best things you can do you never know what might come.

Why did you choose this quote?: it symbolizes the true meaning of life and to keep going and if you have a chance you should take it if you miss it there's always another.

How can you help spread kindness/Why is it important to spread kindness?: it's important because lots of people are having a hard time and you need to remind them that they should be enjoying themselves and you need to help them and one of the best ways to do so is to spread kindness around the world.
