2018-2019

**One of North America's
largest and most dependable suppliers
of Steel Foundation Products**

Pipe & Piling offers competitive pricing and quality pre- and post-sales expertise. Our twelve sales and stocking facilities are available to serve you across North America in:

VANCOUVER ♦ EDMONTON ♦ CALGARY ♦ TORONTO
MONTREAL ♦ HALIFAX
WASHINGTON ♦ NEBRASKA ♦ PENNSYLVANIA
NEW YORK ♦ ILLINOIS

www.pipe-piling.com

12 Hot Transferable Skills

Over the next five years almost one million new jobs will likely be created. About 70% of all new jobs created over the next five years are expected to require some form of postsecondary education / training.

1. Computer Literacy
2. Budget or money management
3. Time management/coping with deadline pressure
4. Communicating clearly orally and in writing
5. Listening
6. Organizing/managing/coordinating
7. Problem solving
8. Negotiating/arbitrating
9. Openness to new ideas and ways of doing things
10. Team playing
11. Ability to work with numbers
12. Knowing how to learn

Check off the skills you are good at and the ones you need to work on. Notice how many of these skills can be acquired outside the workplace as well as in it. Talk about what you do in your leisure time and how it can benefit you as you progress along your career path.

Join our Team! Let's Talk.

Become an advisor. A career as a Sun Life Financial advisor may be the perfect opportunity to build your own business and have a career for life.

A career path that empowers you

As a Sun Life Financial advisor, you'll have the opportunity to make a difference in your community while building your career – your way.

You'll grow your own business with the support of Canada's most trusted life insurance brand and help people at various life stages feel secure, confident and protected – all while keeping a flexible schedule, earning an excellent income and being your own boss.

This is a good place to be

Our goal is to attract and keep the best people in the industry by empowering our employees to do the right thing for one another and for our customers. We provide an environment where individual contribution is rewarded and teamwork is encouraged, where objectives are clearly defined and where our core values are always front and centre.

YOUR ACHIEVEMENTS ARE RECOGNIZED

We believe in rewarding advisors for developing strong relationships with clients and for achieving results. You'll benefit from a competitive compensation approach that includes:

- an innovative 'level commission' structure that provides you with an ongoing stream of income, right from day one.
- annual sales campaigns that feature rewards programs and travel opportunities.
- an Elite Partner program for top advisors, with enhanced business support and additional rewards.
- additional commissions and bonuses based on your results.

Important Questions to Ask About Your Future Work!

- How did you get started in this **work**?
- What kind of **experience** did you have before coming into this occupation?
- What school subjects are important to **prepare me for this work**?
- What **interests** do I have that would be suitable for this work?
- What kind of **skills** are required for this job?
- What personal **qualities** does the job require?
- What kind of **training** is needed for this job?
- What level of **education** is needed?
- Is there **on-the-job** training?
- Do you need to own a **licence or certificate** for this job?
- Do you need to own **special tools**?
- What is a **typical day** like in this job?
- How **do you feel** when you are not at work? What are the ups and downs?
- What do **you like most** about this type of work? Least?
- What is the **employment outlook** for this occupation? Is it expanding? Declining?
- What **technological changes** are taking place in this field and how will they affect the job and the worker?
- What are the **opportunities for advancement**?
- If you were to start over again, **would you choose this occupation**? What would you do differently?
- Would you **recommend this job** to others?
- What kind of volunteer, summer job or work experience would help me to **prepare for this work**?
