FIVE-DAY SECONDARY IV SCIENCE & TECHNOLOGY SUMMER SCHOOL INTENSIVE PRACTICAL PROGRAM July 4 - July 8, 2022

The Educational Services Department is offering a specialized five-day Science & Technology Summer School course for Secondary IV students needing to successfully complete the practical component (555-420) for Science & Technology (555-444).

This offering is ideal for students who have failed 555-444 with a Theory grade (555-410) of at least 53%. In such a case, if a student were to get a 70% in this class, that would give them a passing grade in the overall Science class.

Online Registration on the EMSB website will take place from **June 29th to July 1st**
