OUR FACE MOMENTS

The flowers are starting to bloom, the sun is shining more, and our school is buzzing with activities!

REMINDERS FROM THE ADMINISTRATION

If your child is absent or is going to be late to school, you must notify your child's secretary as soon as possible. We review all absences during the first period of the morning. Please note that we do **NOT** use the Mozaik Portal attendance function.

- **For Kindergarten and Elementary students**, please contact Mme Renaud (ext.8009) or by email at face.primaire@cssdm.gouv.qc.ca .
- **For High School students**, please contact (Mme Durez) (ext.8735) or by email at face.reception@cssdm.gouv.qc.ca.

Attendance: Regular and punctual attendance is crucial during this term. Missing school, especially in the final weeks, can significantly affect your child's understanding of key topics. Students that are absent are asked to see their teacher upon their return to school. Teachers are not expected to provide work when students are absent from school for un-motivated reasons.

End-of-Year Assessments: Please ensure your child is present for any final exams, assessments, or projects. These play a vital role in their academic success. We encourage parents to contact teachers directly should they need further details.

FACE Foundation Clothing: If your child ordered a FACE hoodie, it will be distributed shortly.

LAST DAY OF CLASSES

The last day of classes for our High School students is June 6, 2025.

The exam period for High School students starts as of June 9 to June 23, 2025. The schedule will be sent to all parents next week.

The last day of classes for our Elementary students is June 20, 2025. Parents have been informed the dates for the Grade 6 Ministry exams. Should you have any questions, please do not hesitate to contact your child's teacher.

HEALTH FORMS 2025-2026

We ask that all parents or guardians of returning students complete the emergency health form for the next academic year. You can return the form by email at face@emsb.qc.ca or your child can bring it to office 259A or they can give it to their family teacher.

Should you wish to have a paper copy, please contact Ms. Alshomali at 514-350-8899 ext.1897 or by email at dalshomali@emsb.qc.ca.

The deadline to return this form is May 2, 2025.

EVALUATION RETAKE PERIODS FOR HIGH SCHOOL

We will now be offering a period every week for students who need to complete an evaluation for one of their courses that they might have missed due to a motivated absence or because the teacher is offering them a retake. The two periods are the following:

- Every Day 4 from 12:35 to 1:35 p.m. in room 255.
- Every Day 9 from 11:30 to 12:30 p.m. in room 310.

Students do not need to sign-up for these periods, their teachers will coordinate with Mr. Poliquin to invite them to go. However, failure to go to these sessions could have an impact

on the result of the evaluation required to write. Should you wish to have further information, you are welcome to contact Mr. Alec Poliquin directly at apoliquin@emsb.qc.ca or Ms. Tehbelian who oversees our student dossiers.

MINISTRY ACADEMIC RECORDS FOR SECONDARY 4 AND 5

The ministerial portal allows students to access their marks and diplomas that they earned in secondary school and in vocational training at any time.

All Secondary 4 students are asked to create their account and all Secondary 5 students are asked to check their account to make sure they have access. Access is imperative to see their final results in July.

The process is quite simple and user friendly. If you are a student in Secondary IV or V, any new information pertaining to your final marks will be added in the portal Online academic record at the end of the school year. Additionally, students or parents will be able to request a review of the correction of your ministerial examinations through the Home tab of the portal. We strongly suggest that you create your account before the end of the school year.

To create your account:

- Go to the home page of education.gouv.qc.ca/en/home/.
- Click on Online services, then select Online academic record.
- On the login page, select Create an account.
- Provide the requested personal information, including your permanent code and file number, which allows us to identify you. If needed, you can obtain this information by contacting Ms.Dana Alshomali.

Please note that only one account can be opened per permanent code. Parents should **not** create an account on behalf of their children. We suggest that student use a personal email address because the one provided by the educational institution could become inactive in the future. It is important to write down the access information.

If you encounter any technical difficulties while creating or consulting your account, please contact the Service des renseignements généraux of the Ministère de l'Éducation:

- 418-643-7095, for the Québec City area
- 1-866-747-6626, for other areas
- Select "Contact MEQ" on education.gouv.qc.ca/en/home/

For more information, please contact our guidance counsellor, Sabrina Petta or spetta@emsb.qc.ca or at 514-350-8899 ext. 8011 or you can visit our website: <https://shorturl.at/p0viM>
