REMINDERS FROM THE ADMINISTRATION

If your child is absent or is going to be late to school, you must notify your child's secretary as soon as possible. We review all absences during the first period of the morning. Please note that we do **NOT** use the Mozaik Portal attendance function.

- **For Kindergarten and Elementary students**, please contact Mme Renaud (ext.8009) or by email at face.primaire@cssdm.gouv.qc.ca .
- **For High School students**, please contact (Mme Durez) (ext.8735) or by email at face.reception@cssdm.gouv.qc.ca.

Attendance: Regular and punctual attendance is crucial during this term. Missing school, especially in the final weeks, can significantly affect your child's understanding of key topics. Students that are absent are asked to see their teacher upon their return to school. Teachers are not expected to provide work when students are absent from school for un-motivated reasons.

End-of-Year Assessments: Please ensure your child is present for any final exams, assessments, or projects. These play a vital role in their academic success. We encourage parents to contact teachers directly should they need further details.

End of Homework Assistance Program

The last day for the homework program is **Thursday, May 29th** for Elementary students is May 29. Our high school homework program ends on June 5.

Please note that after May 29th, your elementary school child will be dismissed either to be picked up by a parent or your child will go to SDG.
