## 4. COMMUNICATION WITH PARENTS AND STUDENTS

### Required communications

Parents receive one written communication by October 15 and three report cards no later than November 20, March 15, and July 10. Additional communication will be provided when a student is at risk of not meeting expectations, when behaviour concerns arise, or when an individualized education plan requires it.

### Communication may include:

|                                               |                                                                   |                                           |

## 5. EVALUATION OVERVIEW

### Important statement on evaluation

Evaluation is based on the development of competencies and on sufficient, varied, and relevant evidence of learning each are weighted according to the teacher's professional judgement and included as such in the term mark therefore a final judgment is not a simple term average of individual marks it is. It reflects the teacher's professional judgment, progress over time, and the overall level of competency development.

### Evidence of learning may include:

|                                        |                                                                       |                                                                  |

|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Attendance and participation | Regular attendance and active participation help students demonstrate competency development and provide sufficient evidence for evaluation.                                   |
| Homework and practice        | Homework, practice, and preparation tasks support learning.                                                                                                                    |

## 11. MISSED ASSIGNMENTS, LATE WORK, AND MISSED EVALUATIONS

### Guiding principle

The goal is to gather enough valid evidence to evaluate competency development. Consequences for late or missing work must be applied consistently and should not replace professional judgment about what a student has demonstrated.

|                                               |                                                                                                                                                                                                             |
|-----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Missed assignments</b>                     | Students are expected to submit assignments by the established deadline. In the case of absence, students must obtain missed work and complete it within a reasonable timeline determined with the teacher. |
| <b>Persistent non-submission</b>              | Persistent non-submission will limit the teacher's ability to gather sufficient evidence of learning and may require additional communication with parents.                                                 |
| <b>Missed tests or evaluations</b>            | A justified absence may require documentation. A make-up evaluation or alternative evidence may be scheduled at the teacher's discretion or school's procedure.                                             |
| <b>Unjustified absence from an evaluation</b> | The teacher may use alternative evaluation, existing evidence, or note insufficient evidence, according to school procedures.                                                                               |
| <b>Extensions or accommodations</b>           | Students requiring accommodations should speak with the teacher.                                                                                                                                            |
| <b>Individualized Educational Plan (IEP)</b>  | Adaptations linked to an individualized education plan will be respected.                                                                                                                                   |
