

October 7 Agenda

Subject: Approval Needed: New Fundraising Accounts for Gerald McShane

Email Vote

Gerald McShane Elementary Governing Board has approved the motion unanimously to open three more separate fundraising accounts:

- Music and Arts Program
- Sports Concentration
- Gerald McShane School

Currently, aside from the PPO fundraising account, the school only has one separate account dedicated to “Graduation.” Establishing these additional accounts will allow us to receive and manage donations in a transparent, accountable, and efficient manner. Each account will directly support the specific needs and priorities of our students, ensuring appropriate allocation of funds with clear oversight and with GB approval.
