2026-2027 Supply List for Grade 3

Dear Parents and Guardians,

Below is the list of supplies your child will need for Grade 3. We kindly ask that all items be brought in on the first day of school, Tuesday, September 1st so that we can begin our work together without delay.

Please ensure that all packaging is removed and that each item is individually labelled. If your child loses, damages, or runs out of supplies during the year, we will notify you so the missing items can be replaced promptly. The brands listed are simply our recommendations.

A gentle reminder to continue labelling all clothing items (cardigans, sweaters, etc.) to help reduce the number of lost belongings throughout the year.

We look forward to working with you and your child in the year ahead. Wishing you a wonderful and relaxing summer.

The Grade 3 Teachers
