Additional Information / Specifications (e.g., materials required):

- Students must arrive at class on time with all necessary school materials (see teacher-specific mathematics school supply list) and completed homework.
- The Mathematics Department strongly recommends attending tutorials. If students need additional clarification, they can make individual arrangements with the teacher.
- Students must respect the school premises, their peers, and all staff members.
- Everyone deserves a safe and respectful environment!
- Together, we will make this a successful and memorable year!
