Additional information and specifications:
C1: CREATES PERSONAL AND MEDIA IMAGES - Students will be evaluated based on in-class and take-home assignments that reinforce the notions viewed in class while being guided to produce artwork that holds a personal connection. Students will be encouraged to create artwork that delivers a specific message to a specific audience. This also refers to any artwork that has been ignited by a social event, movement or environmental issue. C2: APPRECIATES WORKS OF ART - Students will be evaluated based on their ability to express their opinion, both verbally and written, regarding specific artwork shown in class. They must analyze and criticize the works of art using evaluation criteria taught in class. *Students will, on occasion, be asked to bring in recyclable materials to class for a specific project.
