NON-UNIFORM DAYS AND OVERNIGHT TRIPS

School activities where students are permitted to be out of uniform are a privilege that we want all students to enjoy.

These guidelines are necessary to ensure that students are dressed appropriately and that the school remains an environment that is conducive to learning. Non-Uniform Days do not apply for Physical Education and Dance classes, where the LBPHS athletic clothing must always be worn.

The following dress code will be in effect during Non-Uniform Days and Overnight Trips:

- Shorts, skirts and dresses must be "mid-thigh" in length or longer.
- Tops may not expose stomachs or backs. Sleeveless shirts are forbidden.
- Pants must be worn at the waist or hip level.
- Pants may not have see-thru mesh.
- Frayed clothing such as jeans ripped at the knees and / or ankles is acceptable; overly distressed clothing might be deemed unacceptable.
- Clothing cannot have unacceptable slogans, logos, or suggestive images.
- No revealing of undergarments.
- No headgear (i.e., hats, caps, full bandanas, covering head with hood etc...) except for headgear worn for religious reasons.
- No sleepwear (Unless otherwise specified)
- No open-toe shoes, flipflops or winter boots.

Please note that this list is not exhaustive, and that the appropriateness of student attire will be determined by the staff of the school. If you are not sure if your outfit breaks the School Dress Code - bring substitute clothing, just in case.

UNIFORM INFRACTION

The school uniform has been approved by the Governing Board, and it is the responsibility of all staff members to enforce the uniform policy. A student who violates the uniform policy will receive a detention to be served that same day. Please note that **any alteration of the uniform is not permitted and is considered a violation of the uniform policy.** Students who alter their uniform may receive a detention and will not be allowed to wear the altered uniform again.

PHYSICAL EDUCATION & DANCE PROGRAM

Student participation in the Physical Education and/or Dance Program is **compulsory**. If there is a medical reason that prevents a student from participating in either program, the parent must submit a **MEDICAL CERTIFICATE** to the attention of the level secretary.

June 2026

Dear Parents/Guardians,

Summer reading helps students retain and build upon literacy skills they acquired during the previous school year. We encourage them to read consistently over the summer to strengthen reading fluency and comprehension, and to foster the love of reading.

Below you will find the 2026 Summer Reading List. All students are required to read the novel designated for their respective grade in the 2026 -2027 school year. We have included a short synopsis of the book.

It will be advantageous to jot down important information about the book. Students are asked to keep a record of the following as they read: significant plot points, character details, conflicts, ideas, themes, and symbols. Please take note that teachers will reference the novels during instruction and will evaluate students' comprehension.

If ordering online, please anticipate 2 to 3 weeks for novels to arrive. If you plan to purchase at a bookstore, we recommend that you do so at the beginning of summer as it may take 2 to 3 weeks to receive books. Public libraries or online resources, such as *Sora*, are other available options to acquire novels.

We encourage your child to engage in ongoing reading and learning to develop a culture of literacy in our community. We hope that you and your child have an enjoyable summer and we look forward to starting the new school year in September.

***"The Remarkable Journey of Coyote Sunrise"* by Dan Gemeinhart**

Five years. That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, crisscrossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash.

Coyote hasn't been home in all that time, but when she learns the park in her old neighborhood is being demolished - the very same park where she, her mom, and her sisters buried a treasured memory box - she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it.

Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys....

Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her "once upon a time" into a "happily ever after".

***"No Fixed Address"* by Susin Nielson**

A middle-grade story about family, friendship, and growing up when you're one step away from homelessness.

Twelve-and-three-quarter-year-old Felix Knutsson has a knack for trivia. His favorite game show is *Who What Where When*; he even named his gerbil after the host. Felix's mom, Astrid, is loving but can't seem to hold on to a job. So, when they get evicted from their latest shabby apartment, they have to move into a van. Astrid swears him to secrecy. He can't tell anyone about their living arrangement, not even Dylan and Winnie, his best friends at his new school. If he does, she warns him, he'll be taken away from her and put in foster care.

As their circumstances go from bad to worse, Felix gets a chance to audition for a junior edition of *Who What Where When*, and he's determined to earn a spot on the show. Winning the cash prize could make everything okay again. But things don't turn out the way he expects....

Then comes the day Justyce goes driving with his best friend, Manny, windows rolled down, music turned up—way up, sparking the fury of a white off-duty cop beside them. Words fly. Shots are fired. Karl Stern has never thought of himself as a Jew. But the bullies at his school in Nazi-era Berlin, don't care that Karl has never been in a synagogue or that his family doesn't practice religion. Demoralized by attacks on a heritage he doesn't accept as his own, Karl longs to prove his worth.

So when Max Schmeling, champion boxer and German national hero, makes a deal with Karl's father to give Karl boxing lessons, A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself.

But when Nazi violence against Jews escalates, Karl must take on a new role: protector of his family. And as Max's fame forces him to associate with Hitler and other Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his dream of boxing greatness with his obligation to keep his family out of harm's way?
