Dear Parents and Guardians,

Throughout the year, classes will leave school grounds to walk in the neighbourhood. They will visit local parks, develop a sense of direction, practice pedestrian safety and see local points of interest.

During these walks, the students will be accompanied by 2 staff members (the teacher and the class attendant), and they will only go out when weather conditions permit.

Please sign & return this form by: **Tuesday, September 1st, 2026.**
