

Autonomy Preparation Program

Summary Standards and Procedures

2026-2027

Commission scolaire English-Montréal

English Montreal School Board

1. INTRODUCTION

Evaluation Standards and Procedures at **(school name)** were proposed by a committee of teachers and approved by the school principal. Their aim is to define concrete actions in an effort to ensure that evaluation practices are consistent with the vision of evaluation adopted in the Québec Education Program. The discussions surrounding the development of these Evaluation Standards and Procedures also led to increased harmonization of evaluation practices in an effort to ensure consistency throughout the school.

Evaluation of Learning (by subject)

The report card includes a section for general teacher comments for each subject. The comments will describe your child’s strengths, challenges and progress. Student learning will be evaluated on a regular basis, through different means such as in-class work, evaluation situations, assignments, tests, dictations, student portfolios, observations, etc.

If there are any changes made to the above evaluation and reporting information, an updated version of this document will be made available. For any more information concerning your child’s learning, please contact your child’s teacher(s).
