

September Newsletter 2026

Dear Parents,

We are happy to greet our new and returning students for the 2026-2027 academic school year. We would like to take this opportunity to wish everyone a successful school year.

WELCOMING DAY

Thursday, September 10th, will be our official welcoming day. Numerous fun activities have been planned for the students to make their back to school as fun as ever. Please be sure to send your child to school with a lunch that day. We will be supplying students with fresh corn on the cob!

SCHOOL PHOTOS

Our school photos will take place on October 1st, 2026. Please note that sibling photos will also be an option.

School uniform is mandatory for the school photos.

DISMISSAL PROCEDURES

Dismissal for PK and K students will take place every day at **3:47pm**. Dismissal for grades 1-6 will take place every day at **3:52 p.m.** No student will be allowed to be removed from the bus by any adult other than a staff member. Please do not change your child's routine without written notification. **Calling at the last minute (after noon on the day of) cannot guarantee that your child will receive the correct message in a timely manner.** Please help us avoid a dangerous situation by writing in your child's agenda any changes made to your child's daily routine. If you have a change to make for dismissal and choose to do so on Mozaik; please do so by noon.

*Please note that as of **September 3rd**, pre-kindergarten and kindergarten parents can no longer enter the school yard to pick up their child.

STUDENT DISMISSAL

To ensure a safe and secure learning environment for all our students, please take note of the rules regarding student drop off and pick up.

- **No parents are allowed in the school yard at any time:** Parents picking up their children must wait at the gate. Please **do not block the gate entrance** as the students need to have a clear path to leave the yard.
- **Using the daycare door:** Only students who are boarding the busses at the end of the day are to exit from the daycare door. This is necessary to alleviate the congested sidewalk traffic and to ensure the safe boarding of the buses by all the students in a timely manner.
- **Please do not pick up your child at the daycare door before ALL busses are gone.** We appreciate your cooperation in this matter.
- **School buses:** Please do not use the sidewalk while students are boarding the school buses. Kindly wait until the buses have departed to cross the school bus loading area to access the school yard gates where students are dismissed. Reminder that it is **against the law to pass a school bus when the flashing red lights and/or STOP sign are activated.** The penalty is a fine and demerit points.

Our children's safety is our 1st priority.

DROP OFF ZONE/NO PARKING ZONE/NO STOPPING ZONES(S) REMINDER

Please note that the section of the street that runs all along the front side of the school yard is designated as a bus **drop off zone** during morning arrival. Parking in the drop off zone **forces a slowdown in traffic**, and **forces other parents to drop off their child in the middle of the street.** Thank you for your cooperation and understanding.

MORNING LATE ENTRANCE

Michelangelo International daycare service is available from 7:00 a.m.

The school bell rings at **8:47 a.m** and the second bell rings at **8:52 a.m**. Since it is important for children to learn the value of being punctual, therefore, students are expected to be at school on time to allow for the smooth running of their day and to avoid class disruptions.

Please note that no students will be admitted via the front door unless a student is late, where the secretary will therefore administer a late slip.

EMAILS

In order to respect everyone's right to a work-life balance we ask that parents not send any emails to any staff member (secretaries, teachers, daycare, administration) between **4 pm and 8:30 am and on weekends**. We understand that most emails are written in the evening, and we please ask that you simply schedule your email to be delivered as of 8:30 am the following morning.

MOZAIK

Please remember that parents can enter their child(ren)'s absence(s) on the Mozaik portal instead of calling the school.

MORNING ENTRANCE

All students, grades PK-6, must enter the school by one of the four entrances mentioned below.

- **ENTRANCE 1** (Daycare Doors)
 - For bus students & daycare drop-offs
- **ENTRANCE 4** (Kindergarten Doors)
 - For Pre-K and Kindergarten students
- **ENTRANCE 3** (Regular school entrance via schoolyard)
 - For grades 1, 2, 3
- **ENTRANCE 5** (Back school yard Doors)
 - Grades 4, 5 and 6

SCHOOL LUNCH DELIVERIES

Students should come to school every day with a **healthy** and **peanut/nut free lunch** that includes a beverage and snack. Our hot meal provider is Le Doral. **Please understand that we do not accept daily deliveries from parents.** This includes parents delivering daily lunches to the office or using Uber Eats to send food to school for their child. This is very disruptive to the school routine and that of your child. Therefore, make sure your child leaves home with his lunch and snack for the day. Please take note that we do not have a cafeteria and we do not have extra hot lunches; thus, it is entirely the responsibility of the parents to ensure that their children have a lunch and snack.

SNACKS

Please remember that it is important to send your child(ren) to school with healthy snacks. We encourage you to prioritize fruits and vegetables as snacks. Please see our nutrition policy in our school agenda for more information. Although an allergy free environment cannot be guaranteed, we ask that students refrain from bringing nuts and nut products to school. As always, student safety is our main priority.

REFLECTIONS

As per school protocol, teachers, supervisors and administration issue a reflection when a student behaves in a way that requires them to think about their actions. The purpose of a reflection is not to punish a student, rather it provides for an opportunity for students to reflect on their actions, and what they can do differently in the future when faced with a similar situation. As per our mandate, it is our responsibility to educate students both academically & socially.

ORIENTATION NIGHT

We will be having our orientation evening on September 3rd, 2026. You will be receiving an email with details.

PARENT GENERAL ASSEMBLY /GOVERNING BOARD ELECTIONS

On **Thursday September 10th, 2026** we will be holding our **Annual General Parent Assembly** to elect our parent representatives who will be elected to serve on the Governing Board. The election will take place in the **Gym at 6:00 pm**.

If you wish to bring forward your name to be a member on the Governing Board, please use the link below to fill out all required information. If you cannot attend the meeting, but wish to bring forward your name, you can use the same link to fill out the proxy section. Our Governing Board meets on average once a month. Our **first meeting** will take place **directly after** the General Assembly on **September 10th, 2026**.

PPO ELECTIONS

We will hold a PPO meeting on September 17, 2026 where we will be voting for our 2026-2027 Chairperson. The election and first meeting will be held at school on **Thursday, September 17th, 2026 at 6:00 pm**. We will send more info via email as the date approaches.

AFTER SCHOOL ACTIVITIES

Planning of extra-curricular activities are underway. Angelo Di Bella (karate) will begin Thursday, September 17th and guitar club will start on Monday, September 14th. Please return all registration forms to the main office. As the year progresses, we will keep you up to date with other after school activities that will begin. Be sure to look out for memos.

Parents picking up their children (non-daycare) after an extra-curricular activity, are asked to do so outside the main schoolyard gates. The activity monitor will bring the students directly to this entrance.

EXTRA CURRICULAR ACTIVITIES

Depending on the availability of the teachers, we offer many extra-curricular activities. They take place during the morning recess, lunch recess or after school. When an ECA begins, a letter will be sent home. If the activity is for a specific level, only that level will get the letter. We offer many different activities to ensure that all the students are happy.

Here are some of the ECA's we offer:

Intramurals

Chess

Choir

Karate

Guitar

Hockey

And much more...

REMIND APP

To help facilitate keeping on top of everyone's busy schedules, we are using the Remind app to keep you up to date concerning important upcoming events, and to send you pictures and clips of your children.

Please note that this app is a **one-way communication**. A memo on how to sign up will be sent shortly. Please make sure to sign up according to your child's grade level.

Remember, when posting on social media, we try to keep our written messages as short as possible. We also like to post pictures and/or videos, however, understand that we can't post everything from one event.

IB PROGRAMME

Welcome back Michelangelo International community! We hope that you are all rested and ready for another wonder-filled year at Michelangelo International Elementary School. We are happy to see that you are continuing to embrace the programme by staying involved in your child's PYP journey. Please remember to read all of the Unit of Inquiry introductory letters that your child brings home. This is a good way to stay in touch with the concepts that your child is exploring in class. You can be an active participant in your child's learning by showing an interest and asking questions related to the theme.

We are excited to start a new year and we are looking forward to all the great things to come.

Have a great start to a new school year. Stay tuned for more IB news!

Mme Suzanne Fortin and Ms. Elisa Di Genova
IB PYP Coordinators

WHAT IS STEAM IN SCHOOLS?

STEM **education** refers to the areas of **Science**, **Technology**, **Engineering** and **Mathematics**. **STEAM education** incorporates the **"A"** for the **Arts** – recognizing that to be successful in technical fields, individuals must also be creative and use critical thinking skills which are best developed through exposure to the arts. **STEAM** is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking.

PLEASE TAKE NOTE...

ALL MEMOS WILL BE SENT TO YOU VIA EMAIL, if you are not on our mailing list, please make sure to let the office know or if you wish to receive a paper copy, please advise the office. We want to waste as little paper as possible.

Sincerely,
Marisa Mineiro & Stefanie Fuoco
Principal Vice-Principal

SEPTEMBER NEWS FROM DAYCARE & SCHOOL LUNCH SUPERVISION PROGRAM

DAYCARE B.A.S.E PROGRAM

On behalf of the Michelangelo Daycare Team, we want to welcome everyone back to school. My name is Nancy Salituri, and I am the Daycare Technician (Coordinator). I am happy to be back ready and eager to get started on all the exciting activities planned for the students attending daycare this year. We will be sending a separate and detailed memo to all parents using the daycare services regarding the daycare routines, activities, and information regarding payments for daycare shortly.

Daycare students will receive a healthy snack after school every day as of **September 8th, 2026 (or earlier)**; until then please provide an extra snack for your child.

Please contact the daycare office regarding any daycare related questions or concerns or email (Nancy Salituri) at nsalituri@emsb.qc.ca. For any occasional dismissal change message please make sure to advise your child’s teacher and/or contact the office **before 2pm**. If the daycare dismissal change is **long term or permanent**, please contact the daycare office directly to make those changes.

ENTRY & DISMISSAL FOR DAYCARE

IMPORTANT: We will be following the original start date and schedule you registered for Daycare and will be expecting your child in daycare as of the start date indicated on your registration. To avoid any issues and delays at dismissal we kindly ask that you respect your original registration schedule and pick up your child at the daycare after school busses have departed only. For any changes to this schedule, we need notification before 2pm at the office so we have enough time to make the necessary modifications.

PreK & Kindergarten students registered in daycare start on **Thursday Sept. 3, 2026** will use the regular daycare entrance/exit next to the office located on 5e rue.

Important: Parents or anyone coming to pick up or drop students in daycare will not be permitted to enter the school.

SCHOOL LUNCH SUPERVISION PROGRAM (students not in daycare – Gr 1-6 only)

For students in Gr 1-6 who are **NOT** using the daycare services:
Parents will receive a lunch supervision registration form, and letter regarding lunch supervision fees in shortly.
The cost for lunch supervision for Gr 1-6 is \$2.50/day. Statements will be sent out monthly via email, and due on the date indicated on the statements (usually at the end of each month).
For students in Gr 1-6, who are not in daycare, need to pay the school for lunch supervision fees to the school by cheque or through online banking. The online code is in indicated on your statements starting with an **LHCODE** to **Michelangelo School** as your payee.

***Special note: students in Gr 1**, who are not registered for daycare services, your child is no longer part of the daycare for lunch supervision fees (only PreK & Kindergarten students are all under the daycare for lunch). This simply means your payments need to be made to Michelangelo School (not daycare). Online, you need to set up a new payee: “**Michelangelo School**” with the new code provided on the statement you will receive starting with LH. Please do not pay your lunch fees to the daycare if you are not using the daycare services. These separate budgets and accounts and not transferable.
***For students registered in daycare**, the lunch supervision fees are included in the daycare fees.
***For students in PreK & Kindergarten**; a reminder that they are registered with Daycare for lunch supervision.

Please
make sure to bring utensils, refillable water bottle, and place mats every day for lunch. Hot meals from
Le Doral begin on Wednesday Sept. 3rd, 2026 – please make sure to check your child’s calendar daily for hot meals
to ensure they have a lunch every day.

Upcoming Pedagogical Day: Monday October 5th, 2026
Daycare is open -More info to come
Deadline to register for the Ped day will be Friday Sept 18th, 2026.
Letters and permission slips will be sent out with more information for this ped day.

Looking forward to fun-filled year with your children!
Ms. Nancy Salituri
Daycare Technicien
