#### 4.1. PELO

- The sub-committee met virtually. Mr. Zampini informed the group of the budget cuts to the Pelo program by the government and its immediate impact for the remaining year and going forward.
- Sub-committee suggested a survey be sent to current parents to glean their interest in paying for the program for the balance of the current year. Results of the survey showed that approximately 5-6 students would agree to paying for the balance of the year, which is too low. As such, parents were informed that the Pelo program will end by March 28<sup>th</sup>.
- The sub-committee will continue to look for solutions and will meet again in April.
- Mr. Zampini will be meeting with the Principal at Merton to look at how their program is run.

#### 4.2. Uniform discussion

- Dress Down Day for Valentine’s Day was successful.
- Dance had to be cancelled due to lack of interest. Students were surveyed informally and said that a restructuring of the event would be more appealing (including game tables, dance, food, and karaoke). There will be another attempt in April.
