

## SINCLAIR LAIRD ELEMENTARY SCHOOL

**Teacher:** Natascha Shena

### **Visual Art**

The aim of the arts program is not to train professional artists but rather to assist students in their artistic development and appreciation of the arts.

**Competencies Being Evaluated** (pre k-grade 6 120 minutes per week WINGS 150 per week)

1. Appreciating works of art
2. Creating works of art

### **Methods of Evaluation**

Students will be evaluated based on in-class participation, individual projects, quizzes, and group projects throughout the semesters. Expectations will be given at the start of a new project and students are expected to follow instructions for each project. Grades will be given based on their ability to follow the instructions, as well as participation.

Over the course of the school year the students will be given the opportunity to try many different mediums, including printmaking, sculpture, drawing and painting, art within the community as well as some special projects throughout the year. Mastery of each medium is not expected, but participation is a must!
