****For Intended Recipient Only****

This communication, its content, or any copy of it, may not be altered in any way, transmitted to, copied or distributed to any other party without the prior express written consent of Scotiabank™.

This communication has not been prepared by (i) a member of the research department of Scotiabank, or (ii) in accordance with the legal requirements designed to promote the independence of investment research. It is considered a marketing communication for regulatory purposes and is solely for the use of sophisticated institutional investors. This communication does not constitute investment advice or any personal recommendation to invest in a financial instrument or "investment research" as defined by the UK Prudential Regulation Authority and the UK Financial Conduct Authority, and by the Central Bank of Ireland (CBI), and its content is not subject to any prohibition on dealing ahead of the dissemination of investment research. This communication is provided for information and discussion purposes only.

An investment decision should not be made solely on the basis of the contents of this communication. It is not to be construed as a solicitation or an offer to buy or sell any financial instruments and has no regard to the specific investment objectives, financial situation or particular needs of any recipient. It is not intended to provide legal, tax, accounting or other advice and recipients should obtain specific professional advice from their own legal, tax, accounting or other appropriate professional advisers before embarking on any course of action. The information in this communication is based on publicly available information and although it has been compiled or obtained from sources believed to be reliable, such information has not been independently verified and no guarantee, representation or warranty, express or implied, is made as to its accuracy, completeness or correctness. Past performance or simulated past performance is not a reliable indicator of future results. Forecasts are not a reliable indicator of future performance.

This communication is not directed to or intended for use by any person resident or located in any country where the distribution of such information is contrary to the laws of such country. Scotiabank, its directors, officers, employees or clients may currently or from time to time own or hold interests in long or short positions in any securities referred to herein, and may at any time make purchases or sales of these securities as principal or agent. Scotiabank may also have provided or may provide investment banking, capital markets or other services to the companies referred to in this communication.

If you are subject to the prohibition on third-party benefits in relation to portfolio management and independent investment advice under EU MiFID II (Directive 2014/65/EU and the accompanying Regulation (EU) No 600/2014) or the UK Markets in Financial Instruments (Amendment)(EU Exit) Regulations 2018, each as amended from time to time, and should not have received this communication, please advise us in writing at trade.supervision@scotiabank.com.
